Note: Microsoft license prices are subject to change at Microsoft's discretion. Carleon is not responsible for fluctuations in third-party license pricing.

5. Service Level Targets

After Go-Live, Carleon will respond to reported incidents according to the following priority matrix:

Priority	Description	Response Time	Resolution Target
Critical	Complete service outage or data loss	4 business hours	1 business day
High	Major feature unavailable, no workaround	1 business day	3 business days
Medium	Feature degraded, workaround available	3 business days	5 business days
Low	Minor issue, cosmetic, or enhancement request	5 business days	Next release cycle

Response times apply during Business Days only (Monday–Friday, 08:00–17:00 CET). Incidents must be reported via the agreed support channel with a description, screenshots, and priority assessment.

6. Availability & Maintenance

1. Target service availability: 95% during Business Days, measured monthly.
2. Planned maintenance windows: weekends or outside Business Day hours. Minimum 48 hours' advance notice will be provided.
3. Carleon is not responsible for downtime caused by third-party platforms including Microsoft Azure, Power Platform, or Exact Globe ERP.
4. Availability calculations exclude approved maintenance windows and third-party outages.

7. Change Management

Any modification to the agreed scope of work must follow the process below:

1. The requesting party submits a written Change Request describing the change and estimated impact.
2. Changes estimated at more than 2 hours of work require written approval from both parties before work commences.
3. Approved change work is billed at €35/hour and documented in a Change Order addendum to this Agreement.
4. Minor clarifications or corrections within the original scope do not constitute a Change Request.

8. Responsibilities

8.1 Team(Group B) Responsibilities

1. Deliver all implementation phases as specified in Section 3 and the implementation plan.
2. Assign a minimum of one dedicated project lead for the duration of the Implementation Phase.
3. Provide regular status updates and escalate issues promptly.
4. Maintain confidentiality of all Client data and business information.

8.2 Client(Carleon) Responsibilities

1. Provide timely access to systems, data sources, and key stakeholders required for the project.
2. Supply representative test data for integration and dashboard validation.
3. Nominate a single point of contact with authority to approve deliverables and sign off on Go-Live.
4. Respond to queries and review requests within 3 Business Days to avoid schedule delays.
5. Procure and maintain required Microsoft licenses (see Section 4.2).

9. Term & Termination

This Agreement takes effect on the Effective Date and remains in force for an initial term of twelve (12) months.

Either party may terminate this Agreement by providing thirty (30) days' written notice to the other party.

In the event of termination, the Client shall pay for all work completed and accepted up to the date of termination, calculated at €35/hour for hours worked.

Termination does not relieve either party of obligations incurred prior to the termination date.

10. Signatures

By signing below, both parties agree to the terms and conditions set forth in this Service Level Agreement.
